## Consumer Notes:

From the minds and talents of Gonzo (Best known for Blue Sub 6), comes Gatekeepers 1. An action title that combines the power of great story-telling with mind boggling special effects - a truly unique twist on the classic "teenagers vs. aliens, to save the world" genre. Watch what's lurking in the shadows as Boogiepop Phantom quickly disappears from shelves near you! And if you're a DVD fanatic make sure to keep your eyes on the October releases for new DVD box sets including DBZ, Lain, Trigun, Robotech Masters and the Sailor Moon Movies!

## ANIMANIAC'S PICK(S) OF THE MONTH

I could brandish this section with every cliché known, but it simply wouldn't be enough to describe the riveting Boogiepop Phantom. With fans lining up for standing room only screenings, this show already has its own following. When Boogiepop Phantom: Evolution 1 is released later this month, expect to see it disappear as soon as it appears.
